HAVE YOU READ?

Protecting Important Underground Mine Assets in Real-time

Written by Chris Mason, VP of Sales, EMEA at Rajant Corporation

The mining sector is a dynamic and fast-growing global industry. For Africa, one of the largest and most influential mining regions worldwide, vast amounts of precious mineral commodities such as valuable platinum, copper and gold are produced every day. Rivaling the output of countries such as the United States, Australia and Russia, South Africa has two of the top 10 largest gold mines in the world and South African mining companies dominate the African market, with Anglo American netting US\$29,87-billion in revenue in 2019...

HOT OFF THE PRESS

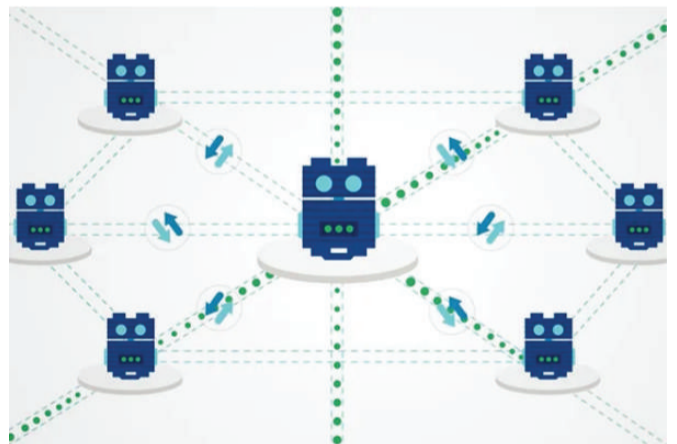

Advancing Warehouse Automation with Autonomous Networks

This article was published in partnership with Duxbury Networking.

To optimise workflows and drive higher levels of throughput, many warehouses are turning to robotics and automation.

These technologies are proving to have a transformative impact on warehouse operations, giving new ability to automate repetitive tasks, augment worker productivity, improve picking and sorting accuracy, and speed up fulfillment...

NOT TO BE MISSED

Rajant's UNICEF Fundraiser World Music Day 2020

Rajant successfully hosted a musical fundraiser to bring awareness and donations for UNICEF (United Nations Children's Fund, a United Nations agency responsible for

providing humanitarian and developmental aid to children in 192 countries worldwide. To date, the fundraiser event has raised \$26,775 with Rajant pledging a donation of \$25,000. A [GoFundMe](#) page is still available to accept donations.

With countries in quarantine and closing borders due to COVID, the international food supply chain has been put at significant risk, and global poverty is expected to increase for the first time in decades, potentially reversing the worldwide fight against hunger and malnutrition.

The recorded virtual event can be watched on Rajant's [YouTube channel](#) in its entirety with musical performance by artists around the globe.

MEET THE TEAM

Mir Khan
IT Manager

What was your first job?

My first job at the age of 10 was a newspaper delivery boy. I will wake up at 4:30 in the morning and go on my newspaper route to deliver the newspaper to get \$1/month. That

dollar, or 35 Rupees, was a big help to my mother. It would bring her so much respite at the end of the month when she struggled to put food on our table.

What attracted you to Rajant?

Rajant's Breadcrumb, an innovative technology, was the reason that I joined the team. Before Rajant, I worked only on Cisco gears. But when I was introduced to Rajant's Breadcrumb, I was very impressed with the Layer 2 routing and mesh technology. I wanted to learn more.

What is the best advice you've ever heard?

"If you can dream it, you can do it," Walt Disney.

What is a typical day like for you at Rajant and what do you enjoy most?

I manage, maintain and protect the infrastructure of Rajant HQ and their KY branch. I help the employees with any issues they have or any equipment or service they need to do their job successfully. I enjoy going to work and helping people solve their problems. I take pride in being a contributor toward the success of the company. My suggestions are considered, respected and sometimes implemented.

What would you say to someone considering a career at Rajant?

If you are looking for a company that will invest in you and care about your future, then Rajant is the place for you. I have worked for big companies where I was just one of the employees. Rajant is different. It is a family atmosphere here. It is also a fun environment where you can groom yourself to be what you desire with endless growth opportunities.

What do you like to do when you aren't working?

I love nature. When I was growing up, I wanted to be a farmer. My interest comes from my mother and also from my wife, who enjoy nature at its best. I would love to have hands-on experience trying to incorporate technology with nature.

2020 Rajant Partner Summit & Charity Golf Tournament

Rancho de los Caballeros
April 27 - 30, 2021 | Wickenburg, AZ

Registration is now open!
