

Quality Assurance Assistant – Morehead, KY (Day Shift)

RAJANT CORPORATION, the 20+year leader in industrial wireless patented Kinetic Mesh® networking solutions, is redefining real-time connectivity with resilient Smart Routing technology, ensuring secure, dynamic, and uninterrupted data flow for industrial autonomous and mobile operations across various extreme environments like mining, autonomy and robotics, industrial security, and underground communications.

Rajant is seeking a **Quality Assurance assistant** to further the development of Rajant's industry-leading mesh networking products.

OVERVIEW - This is what a successful candidate looks like:

- You understand that this position is full-time at our Morehead KY Office in-person.
- You have 2+ years of experience in a quality assurance role.
- You have an understanding of quality assurance processes and standards.
- You have working knowledge of quality management systems (ISO 9001, etc.)
- Discovering solutions on your own is how you operate, but you're interested in learning, & not afraid to ask for help
- Most importantly, you're a team player, and you never stop being curious, learning and improving every day.
- You live within driving distance to Morehead KY now, or will before you start if selected.
- Ability to pass background and drug screening

RESPONSIBILITIES: Quality assurance assistants typically have a wide range of responsibilities, including, but not limited to:

- Ensuring that the company's standards for quality are being followed
- Inspecting final output and compare properties to requirements
- Reviewing work performance to ensure that it meets the company's standards for quality
- Identifying potential problems with products
- Assisting with production schedules, budgets, and time lines to ensure that projects are completed on time
- Assisting with research to identify trends and patterns in customer complaints or other problems that may indicate a problem with the product or service

SKILLS:

- Demonstrates strong interpersonal skills
- Strong attention to detail and quality
- Works systematically, keeping track of activities and monitoring process of plans
- Ability to learn new skills quickly
- Demonstrate high standard of organizational and communication skills

WHO WE ARE:

We're a tight-knit group of technology experts that demand excellence of ourselves and in all we do. We need like-minded professionals to identify problems and solve them, enabling our development teams to efficiently push ever more hardware and software solutions to market, faster and more reliably.

Education & Preferred Certifications:

- High School diploma or equivalent
- MS Office, ISO 9000, IPC 600-620, ESD, Knowledge of Inventory/Picking, Shipping, Quality Certs

EMPLOYMENT TYPE: Full-Time. **LOCATION:** Morehead KY. **REPORTING TO:** Director of Quality Assurance.
